

BKFA AGM location.

Thanks to the kind offer from Doug Irvine, the AGM is to be at the splendid location of the HAY BARN and BYRE, Bicester. For those of you not familiar with this, Doug's home has played host to STACK's AGM for a number of years, and provides a reasonably central location, so there is no excuse for non-attendance.

Location

Follow the A41 out of Bicester towards Aylesbury. After the roundabout take the second right turn (Ploughley Lane). Then immediately next right into the (long) driveway of Doug's 'estate'. Parking is extremely limited so if you can car share it would be good. Otherwise, there is a parking space on the left halfway up the drive with space for 2-3 cars, or Doug's forecourt will hold a few more, straight ahead at the buildings. Do not bother asking for the postcode for a satnav, it'll take you to the other side of Bicester. We will try and provide signposts at the turnings, but it is quite easy really.

Please bring something to sit on, Doug won't have enough chairs for all of us.
